IN THREE EASY STEPS!

SWITCH KIT INSTRUCTIONS

STEP ONE: OPEN YOUR NEW ACCOUNTS WITH US

Your first step is to open your new FNB checking or savings account. Minimum deposits to open an account are \$25-\$100 depending on account type. See a new account representative to help you choose the account that best fits your needs.

STEP TWO: SWITCH YOUR AUTOMATIC TRANSACTIONS

The enclosed forms will help you contact the companies and financial institutions which handle your automatic deposits and withdrawals. We will be happy to help you with any of these forms. Use the checklist below to maintain a record of the companies you need to contact:

- Direct Deposit (Human Resources, Retirement, Pension, Social Security, etc.)
- Automatic withdrawals (Mortgage payment, Insurance, Utility Bills, Online bill pay accounts, loan payments (personal, student, etc.), gym memberships, charitable donations, cell phone payments, etc.)
- Review quarterly history from previous institution to ensure accuracy of all Direct Deposits and Automatic Withdrawals.

For quick reference of all transaction and contact information use the attached documents!

STEP THREE: CLOSE ACCOUNTS WITH FORMER FINANCIAL INSTITUTION

Be sure to leave your old accounts active long enough to allow outstanding checks and automatic withdrawals to clear the account. Leave enough money in place to cover these transactions. This process may take several weeks. Once you are sure that the old accounts are inactive; ask your previous institution to send you the balance from that account. You can then destroy your old checks, ATM/ Debit cards, and deposit slips.

YOU'RE DONE!!!
