Classic 55 Club Newsletter
March - April 2020

FROM MARCIE'S DESK:

Happy St. Patrick's Day and Easter to all our Classic 55 Members and Guests! I hope you've all had a good start to the New Year and have escaped the many "Flu" bugs going around. We've been busy here continuing our Bingo/Bank Days at Brookstone Estates, Villas of Hollybrook and The Glenwood Senior Living Centers. As a refresher, if you are residing in any of these three and are a customer of the bank, we can do banking for you when we come to play Bingo (ex. cashing a check, deposit) or we can bring any paperwork you need to sign for changes to your account, even opening a new account. We also hope to be visiting our local Senior Centers soon.

I invite you to look over the trips for 2020 and make plans to join in the fun! You can reach me at 217-682-3236, 217-342-3200, email manderson@fnbwaterloo.com or stop by the Stewardson or Effingham Banking Center. I look forward to traveling with you!

You will find a questionnaire on the back page of this newsletter. Please complete it and return it to me by April 1st. We want to review the information prior to the 2021 Planning Meeting. Even if you don't usually travel with us, your input is important.

DID YOU KNOW???????

Both the Stewardson and Effingham Banking Centers are collecting plastic caps/lids that will be recycled and made into park benches to be placed throughout Stewardson. Please clean ALL caps/lids before donating and please make sure there are no extra items or trash in with the caps/lids. We also want to take time to thank the students from Trinity Lutheran School who have so graciously given up their recess to help with sorting the caps!

Both Banking Centers are also collecting "non-perishable" food items to help meet the needs of area children for "Blessings in a Backpack". Please help by donating any smaller "non-perishable" food items that would fit into a child's backpack and be a "Blessing"!

We will also continue to collect handmade blankets and/or materials for "Project Linus". The blankets are distributed locally to children in hospitals, shelters, social service agencies and to any child that might be in need of a hug!
