For travel completed by May 2, 2023, all airlines will ask for identification when you check in. It is recommended that you carry a passport if you have one. A driver's license (with a photo I.D.) is also acceptable for domestic flights. Effective for travel May 3, 2023 forward, the REAL ID Act standards for identification while travelling will be in effect. Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Any fees associated with changing a reservation resulting from a non-compliant identification will be the responsibility of the guest. For more information on Real ID, please visit the Department of Homeland Security website: <https://www.dhs.gov/real-id>

Experience It! Arches National Park

Just north of Moab, bordered by the Colorado River, discover the natural beauty of Arches National Park. There are more than 2,000 stone arches within the park's boundaries, formed as a result of the underground salt bed that the park rests upon. The arches are 65 million years in the making, serving as a geological window into the past. In addition to arches, you'll find towers, balancing rocks, and massive sandstone boulders. Wander along the winding hiking trails and take in the otherworldly nature – wildflowers bloom here in bright yellows, purples, and greens, and clear skies (due to a lack of light pollution) lead to unparalleled star gazing.
